Migration Rules:

Customers are permitted to request a migration after 3 months into their contract.

Upward Migrations: An upward migration refers to the scenario when the subscriber wishes to move to a package of a higher base subscription than the existing package, during the fixed term portion of the agreement.

1. The subscriber may upward migrate without any penalties at any time during the fixed term agreement subjected to the differences in the base subscription.
2. The subscribers shall retain accumulated deal allocations when doing an upward migration.

Please note the following:

A: The new offer starts immediately after Telkom activates the service upon courier delivery and the customer being informed by the RICA agent. The commitment period for Base to Base will continue until the end of the new commitment period. E.g. Migrate from SmartBroadband 5GB Wireless of 24 months in month 12 to SmartBroadband 10GB Wireless of 24 Months, means that the contract continues from month 12 until month 24 of the new offer, thereafter it will continue on a month to month basis.

B: When migrating from “Base to Deal” and “Deal to Deal” and “Deal to Base”, the commitment period shall be set according to the new contract period and the associated terms and conditions.

C: Base refers to the offer or service that is not linked to a device and deal refers to the offer or service that is linked to a device.

Downward migrations: A downward migration refers to the scenario when the subscriber wishes to move to a package of a lower base subscription than the existing package, during the fixed term portion of the agreement.

1. The Subscriber will be liable to pay an admin fee for a downward migration as per clause 4 below, which will be determined at the time of requesting the migration.
2. The Subscriber shall retain accumulated deal allocations when doing a downward migration.
3. Telkom shall, as a downward migration fee, recover the difference in device pricing between the original and the newly selected packages as well as an administration fee.

Please note the following:

A: The new offer starts immediately after Telkom activates the service upon courier delivery and the customer being informed by the RICA agent. The commitment period for Base to Base will continue until the end of the new commitment period. E.g. Migrate from SmartBroadband Wireless 5GB of 24 months in month 12 to SmartBroadband Wireless 10GB of 24 Months, means that the contract continues from month 12 until month 24 of the new offer, thereafter it will continue on a month to month basis.

B: When migrating from “Base to Deal” and “Deal to Deal” and “Deal to Base”, the commitment period shall be set according to the new contract period and the associated terms and conditions.

Discounts that are applicable in the existing products shall not be carried over to the new contract/commitment period.

A: Value added services (VAS) shall only be re-established on customer request and according to the eligibility of the new offering.

B: Customers choosing to migrate to either upward or downward prior to the expiration of the contract/commitment period shall be able to do so; however admin fees and penalties shall be applied by Telkom, where applicable.
