

Telkom Network VoLTE (Voice over the LTE network) and VoWiFi(Voice over Wi-Fi) compatible phones

Dear Customer,

Please take note of the phones currently supported on the Telkom Network VoLTE and VoWiFi.

The service is currently in testing phase and will only be made available to 4500 randomly selected Telkom Mobile customers. The service will be available to all subscribers (Prepaid, Top-Up and Post-paid), upon commercial launch, launch dates will be communicated in due course.
